The Company

OMEX is an exciting, forward-thinking and innovative place to grow your career. The industry leaders in liquid fertiliser are on a fast-track journey to grow the business and are looking for a dedicated and enthusiastic district sales manager to join the team.

Working at OMEX, the team are encouraged to take ownership of projects they're passionate about, are able to make a real difference to joint business goals and have the opportunity to progress their career.

OMEX believe personal development is vital, and fund training to grow people as they help grow the business. From BASIS qualifications to FACTS, OMEX are continuously investing in their team to meet both personal and organisational goals.

As a business who operates within 85 countries OMEX companies celebrate their diversity within the workplace, and the worldwide opportunities on offer to people joining them.

This key role is seeking to further strengthen OMEX's market position within the West of the UK.

The Role

This is a commercial sales role requiring technical understanding of crop nutrition. The successful candidate will manage the growth of the Nitroflo N+S, Multiflo NPKS and Fortiflo business within Southwest of the UK by:

- providing commercial and technical solutions to customers' needs,
- creating strong relationships with existing farm customers and building business with new customers within the island of Ireland
- working very closely with Distributor Customers.

Area

This role covers a geographic area of Southwest of UK including, Wiltshire, Hampshire, Dorset, Somerset, Devon and Cornwall.

Key Responsibilities

- To achieve annual revenue and gross profit targets as agreed. To do so by selling to large and influential farmers based on sound and appropriate technical advice. Principle focus will be on cereals, OSR, grassland and maize, but will also include other crops.
- Develop close working relationships with distributor customers, both at senior level and with the field-based sales teams. Support them on farm to influence their decision-making process to promote OMEX product range where technically appropriate.
- Work closely with the rest of the OMEX sales team to deliver the company's strategic objectives for the product group. Also, liaise effectively with the Business Growth Director, Fortiflo, distribution and credit control team members, helping to ensure the achievement of customer requirements.
- To prepare, agree and implement a coherent sales plan that will achieve sales growth and deliver exceptional customer service.

- Promote OMEX and the product range to be at the forefront of crop nutrition technology, thereby enhancing the status of the company within the marketplace.
- Develop technical expertise in Nitroflo and Multiflo ranges and in your particular crop sector.
- Support the Research & Development Manager to facilitate grower product performance trials, supporting Head of Marketing to deliver engaging farmer meetings and demo days.
- To provide authoritative technical training, advise and support for distributor customers and independent agronomists as and when required.
- To process orders and effectively manage your own order book.
- To help provide the highest standards of customer and after sales service.
- To attend conferences and exhibitions as appropriate.

Qualifications, Skills & Experience
