#### Job Profile

##### The Company

OMEX is the market leader in liquid fertilisers in the UK, manufacturing and exporting a unique range of plant nutrients and crop health promoters, nationally and internationally.

##### Role Overview:

This role requires a self-motivated and enthusiastic person to follow systems and procedures to ensure safe operation of processes and plant equipment during the production and supply of liquid fertiliser products. The ideal candidate wants to have ambition and drive to succeed to the next level, to become an essential part of the plant team.

##### Specific Duties

To carry out instructions and procedures in line with site targets, including:

- Moving, loading and washing out road tankers of fertiliser products
- Loading of curtain sider trailers with IBCs
- Use of mechanical plant equipment as required during the manufacturing process:
  - Rough Terrain Telehandler
  - Industrial Telehandler
  - Counter-balance FLT
  - Shunter
- Performing pre-use checks and routine inspections, keeping detailed records
- Following safety instructions to keep yourself and colleagues safe
- Occasional entry to confined spaces for annual cleaning purposes
- General Housekeeping and washing of production plant and equipment
- Assisting in other areas on site as and when necessary
- Reporting equipment breakdowns and deficiencies to your line manager
- Assisting with inventory checking and material movements around the site

### Personal requirements

- Reliable, trustworthy, honesty, and a genuine team player
- Able to work flexibly and interested in learning new activities
- Good levels of communication, literacy and numeracy.

### Working hours

The standard working hours are 7:30 -17:00 Monday to Friday but other patterns may be in operation between 0600 and 1800, Monday to Friday. Additional extra hours and weekends are expected during busy seasonal operations, which would attract an overtime rate.

### Benefits:

- Excellent remuneration package, including a Contributory Pension Scheme, contributory health care scheme.
- Eligibility for peak season bonus scheme.
- Provision of all necessary PPE
- Lunch allowance
- Training will be provided where necessary.
- Clear opportunity for development and progression
