

## Agrochemical Physical Compatibility Guide

These tank mixes have been tested for physical compatibility at recommended rates of use and will mix with each other. No tests have been undertaken on crop safety, product performance or sprayer tank compatibility, therefore use is at the grower's own risk. When using tank mixes always follow the statutory conditions of all tank mix partners. Use plant protection products safely. Always read the label and product information before use. The tables contain sections on agrochemical active ingredients that have been tested, the OMEX range of products and tank mixes known to be incompatible; please pay particular attention to this final section.

### Tank Mix Guidelines

Ensure sprayer tank is clean and free from residue of any previous products • Half fill the sprayer before adding products. • Allow time for one product to fully disperse before adding the next. • Spray the mixture straight away and avoid leaving in the sprayer overnight. • Check the inside of the sprayer tank for any residue after emptying each tank. • The source and quality of water can have an impact on the physical compatibility of different chemicals • If in doubt conduct a bucket test prior to filling the sprayer.

For further information on OMEX products and compatibilities, refer to [www.omex.co.uk](http://www.omex.co.uk) or contact OMEX Agriculture Ltd on **01553 760011**.

Physically Compatible	
Third party products (active ingredients)	OMEX Range
Adjuvant, Pinoxaden	
Amidosulfuron	<p><b>The following products are PHYSICALLY INCOMPATIBLE or NOT RECOMMENDED</b></p>
Azoxystrobin, Hexaconazole	
Benzovindiflupyr	
Bixafen, Fluopyram, Prothioconazole	
Bixafen, Prothioconazole	
Chlormequat	
Chlormequat, Ethephon	
Clopyralid, Florasulam	
Cyprodinil	
Epoxiconazole	
Fenpropidin	
Florasulam, Fluroxypyr	
Fluroxypyr	
Fluxapyroxad	
Fluxapyroxad, Mefentrifluconazole	
Folpet	
Iodosulfuron-Methyl, Mesosulfuron-Methyl	
Mecoprop-P	
Metconazole	
Metrafenone	
Metsulfuron-Methyl, Thifensulfuron-Methyl	
Prochloraz	
Prothioconazole	
Prothioconazole, Tebuconazole	
Tebuconazole	
Trinexapac-Ethyl
